PROFESSIONAL SUMMARY

UI/UX Designer with 2+ years of experience designing user-centered web and mobile applications across domains including eLearning and AI-based platforms. Skilled in user research, user personas, information architecture, wireframing, prototyping, and usability testing.

Proficient in Figma and Adobe Creative Suite, with experience in building responsive interfaces, design systems, and interactive prototypes. Strong ability to translate complex ideas into intuitive, visually engaging, and user-friendly solutions. Experienced in collaborating with cross-functional teams to deliver impactful digital products.

TECHNICAL SKILLS

Design & UX: User Research, User Personas, Wireframing, Prototyping, Usability Testing, Interaction Design, Information Architecture

UI & Product Design: Responsive Design, Mobile App Design, Web Design, Dashboard Design, Design Systems, Accessibility (Basic), Visual Design

Tools: Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, Framer, Adobe Lightroom, Canva, FigJam, Balsamiq Wireframe

AI Tools: ChatGPT, Claude, Gemini, Flow, Stitch (AI UI generation)

Collaboration & Workflow: Cross-functional Collaboration, Stakeholder Communication, Design Handoff, Agile/Scrum Basics

PROFESSIONAL EXPERIENCE

UI/UX Designer

May 2025 – Present

Inoesis Technologies Private Limited | Chennai, India

- Designed user-centered web and mobile interfaces based on user research and business requirements
- Created wireframes, user flows, and high-fidelity prototypes using Figma
- Conducted usability testing and improved user experience based on feedback
- Collaborated with developers and stakeholders to ensure accurate design implementation
- Improved overall usability and visual consistency across digital products
- Maintained design consistency through reusable components and design systems

Graphic & UI/UX Designer

May 2024 – May 2025

Elohim Software Solutions Private Limited | Chennai, India

- Designed responsive UI for websites and mobile applications
- Developed user flows, wireframes, and interactive prototypes
- Created branding assets including social media creatives and marketing visuals
- Worked closely with cross-functional teams to deliver user-focused solutions
- Contributed to improving visual consistency and usability across products
- Supported end-to-end design process from concept to final UI delivery

PROJECTS

Quicktest.diy

(Quiz Platform – Web & Mobile)

Technologies: Figma, User Research, Wireframing, Prototyping, Responsive Design

Quiz-based learning platform designed for web and mobile, focused on improving user engagement and simplifying the learning experience.

- Designed end-to-end user experience from research to high-fidelity UI
- Created user flows, wireframes, and interactive prototypes using Figma
- Improved user engagement through intuitive navigation and clean UI
- Delivered responsive design across web and mobile platforms
- Collaborated with developers for seamless design implementation

Coherence.services

(Web Platform)

Technologies: Figma, Information Architecture, Responsive Design, UI Design

Service-based web platform focused on delivering a clean, structured, and user-friendly browsing experience.

- Designed modern and minimal UI aligned with business goals
- Structured information architecture for improved navigation
- Created responsive layouts for multiple screen sizes
- Ensured visual consistency using design systems

Quizzer.ai

(AI Learning Platform)

Technologies: Figma, AI Product Design, Dashboard Design, Prototyping, Design Systems

AI-powered learning platform enabling users to generate quizzes, take tests, and track performance through interactive dashboards.

- Designed AI-driven user experience for personalized learning workflows
- Developed responsive UI for quiz creation, test-taking, and analytics dashboards
- Applied gamification concepts to improve user engagement
- Simplified complex workflows for better usability and accessibility
- Created consistent UI using reusable components and design systems

EDUCATION

Bachelor of Computer Application

June 2015 - May 2018

Selvamm Arts and Science College | Namakkal, India

Advanced Design & Technology

December 2023 - April 2024

Buff Creative College | Chennai, India
